**TO:** Retailers of Milk  
**DATE:** January 22, 2001  
**SUBJECT:** Announcement of threshold price relative to milk price gouging law,  
**effective FEBRUARY 2001**

**THRESHOLD PRICE**

Effective FEBRUARY 2001, threshold prices for milk, lowfat milk, or skim milk offered for retail sale in the state are:

	<u>Gallon</u>	<u>Half Gallon</u>	<u>Quart</u>
Metro Region: (NYC and Counties of Nassau, Suffolk, Rockland, Westchester, Orange, Putnam and Dutchess)	\$2.77	\$1.43	\$.75
Upstate Region: (Remaining Counties)	\$2.60	\$1.35	\$.71

A retailer who sells above the threshold price may be in violation of the law unless such selling price is justified as not being unconscionably excessive. Such justification includes net invoice price paid for the milk item plus actual costs incurred in handling and selling that milk item.

Compared to the previous month, the threshold prices decreased \$0.35 a gallon, \$0.18 a half gallon and \$0.09 a quart in the Metro region and decreased \$0.36 a gallon, \$0.18 a half gallon and \$0.09 a quart in the Upstate region.
