

## Importation of POULTRY & POULTRY PRODUCTS into New York State

All poultry, including chickens, turkeys, waterfowl, guinea fowl, and game birds, imported into New York State for any purpose other than slaughter must be:

1. Accompanied by a Certificate of Veterinary Inspection (CVI) issued within 30 days prior to entry **OR** a USDA VS Form 9-3; **AND**
2. From an NPIP US Pullorum-Typhoid Clean flock **OR** be tested for pullorum-typhoid within 90 days prior to entry; **AND**
3. From an NPIP US H5/H7 Avian Influenza Clean Flock **OR** from a flock in which 30 birds were tested for avian influenza within 10 days prior to entry. If there are less than 30 birds in the flock, test all birds.

All hatching eggs and day-old poultry imported into New York State must be from a flock that has the following NPIP certifications: US Pullorum-Typhoid Clean **AND** US H5/H7 Avian Influenza Clean (or US Avian Influenza Clean.)

For poultry entering the NY Live Bird Marketing System, please call 518-457-3502 for requirements. Only authorized poultry dealers may deliver poultry to NY live bird markets.

-----  
**Other avian species (canaries, parrots, finches, etc.)** - No Ag & Markets requirements. However if they are going to a pet store, call NYS Dept of Environmental Conservation 518-402-8985 for any other requirements.

For poultry exhibited at county and state fairs, see section on "Fairs" for additional requirements.
