Additional Information for Inspection:

Number of Animals:

Number of Dogs/Cats at premise: 15 Adults, 10 Puppies

REMARKS:

Lisa Barber plans to decrease her number of dogs due to surgery. There are plans to temporarily close down one complete section of her kennel facility which is a separate area from the other kennel that will house the rest of the dogs. This section is in need of some repairs. The closed section needs to be thoroughly cleaned for the next inspection, but the repairs can wait if it will to be empty.
