Additional Information for Inspection:

Number of Animals:

Number of Dogs/Cats at premise: 1

REMARKS:

One cat remains available for adoption. No animals are in foster care. All other animals the group claims responsibility for are in permanent sanctuary homes.

The group's plan is to no longer handle animals themselves but instead will facilitate the placement of animals rescued by other incorporated groups. This would be accomplished by hosting adoption days where these rescue groups would bring animals into the facility and showcase them to the public for a limited number of hours. The Animal Service League also plans to offer medical and placement assistance to individuals who open their home to an animal in need.
