Instructions for Completing the Application

1. Complete the application ONLY if your annual purchase volume exceeds $10,000 from New York producers. If your annual purchases/dealing of farm products from New York producers do not exceed $10,000, or you will not be purchasing or dealing in New York farm products, or if you buy farm products only for sale at retail to the ultimate consumer (does not include sales to industrial, institutional, commercial or agricultural users), complete and return the bottom portion on page 2 of these instructions.

2. Please complete all questions and return to the address on the bottom of the application. Incomplete applications will be returned.

Written Payment Agreements

The law authorizes the use of written payment agreements if the dealer wishes to make payment to a producer more than 30 days after the product is sold by the producer and delivered to the dealer, or other person as the purchaser may designate, provided that in no event shall such period exceed 120 days from said date of delivery.

Please note, the length of your written agreement will increase your security requirement obligation because extended payment agreements increase the Security Fund’s exposure in the case of a default of payment. For example, if your calculated security requirement based on 30 days is $50,000 and you have a written payment agreement extending payment terms from 30 days to 120 days, the amount would be four times the 30 days amount of $50,000 or $200,000. If payment terms are 60 days, the amount would be twice the 30 days amount of $50,000 or $100,000.

After your application is received and reviewed, you will be notified by the Department of the required security amount. You will have a choice of obtaining a bond through your local insurance carrier or an irrevocable letter of credit through your financial institution.
